Description

Pair Of Empire Style Gilt Bronze Candlesticks - 19th Century
Elegant pair of finely chased and gilded bronze candlesticks, Empire style, French work of the 19th century. They stand on a circular base decorated with stylized palmettes and foliage, supported by small feet. The fluted column shaft is surmounted by a scrolled capital inspired by the ancient characteristic of the Neoclassical and Empire styles. The binnacles feature richly worked floral decor. Beautiful quality of chasing and fine antique gilding offering an elegant sheen. Very decorative. Very decorative, these candlesticks will find a perfect place in a classic, Empire or Napoleon III interior. Period Nineteenth century, Empire / Restoration style. Material Golden bronze. Condition Good overall condition with
