

China. Large Deep Dish With Dragon. Early 19th Century.

2 300 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

Diameter : 40,8 cm

Height : 6,7 cm

Description

I am offering for sale this superb Chinese dish, 40.8 cm in diameter. Decorated with a dragon in search of the sacred pearl. Decorated in the "wucai" style, i.e. with five colors. The stylized representation of the dragon is particularly successful and reflects all the artistic qualities of Chinese ceramic decorators. A crack on the rim otherwise in perfect condition. High quality glazes. Early 19th century or earlier.
