

## Corozo Nut Sculpture - France - Early 19th Century

400 EUR

Period : 19th century

Condition : Bon état

Material : Corozo

Height : 19 cm

### Description

Fine carved corozo nut sculpture depicting a French-inspired gallant scene from the XVIIIe century. The composition is surmounted by an elegantly dressed couple seated beneath a stylized tree, evoking the romantic and pastoral themes dear to the Rococo period. The openwork body of the piece is richly decorated with floral motifs, garlands and symbolic elements carved in relief, demonstrating remarkable craftsmanship. The circular base adorned with foliage harmoniously completes the ensemble. Rendered in a warm mahogany-brown hue, this work highlights the natural finesse and density of corozo nut, a material prized for its precision detail and ivory-like appearance.
