Antique Edwardian Sapphire And Old Cut Diamond Swirl Cluster Brooch, Ca 1910

3 987 EUR

Period : 20th century

Condition : En l'etat

Description

Edwardian Sapphire and Diamond Cluster Bar Brooch, circa 1910A very fine antique sapphire and diamond cluster bar brooch dating to the elegant Edwardian period, finely crafted with a silver cut-down setting over an 18ct yellow gold mount, a traditional technique used in high quality antique diamond jewellery to enhance the brilliance of the stones.The brooch is centred by a rich blue sapphire measuring approximately 4.5mm, assessed as approximately 0.50 carats, surrounded by eight old cut diamonds, each estimated at approximately 0.10 carats, forming a classic diamond cluster.Extending from the centre are two gracefully curved diamond-set bars, each set with thirteen old cut diamonds graduating from approximately 0.01ct to 0.03ct, creating a flowing ribbon-like design typical of refined early
