Description

Large Emerald and Diamond Cluster Ring, 3.50 Carat Emerald, Approximately 2.10 Carats Diamonds, 18 Carat Gold A striking and substantial emerald and diamond cluster ring set in white and yellow gold, assessed as 18 Carat. The ring is centred with a vibrant rectangular emerald-cut emerald measuring approximately 10 mm x 8.75 mm, estimated to weigh approximately 3.50 carats. The emerald is rub-over set in yellow gold and raised above the surrounding diamond cluster, displaying the natural inclusions typical of fine emeralds. Encircling the centre stone are eighteen brilliant-cut diamonds and two rose-cut diamond accents, totalling approximately 0.50 carats. The outer cluster is composed of forty-four brilliant-cut diamonds, creating a dramatic and
