

9ct Gold Dennison Special Full Hunter Pocket Watch 1924 Swiss 15j 88.4g 50mm

3 178 EUR

Period : 20th century

Condition : En l'etat

Description

This is a 9ct solid yellow gold full hunter pocket watch featuring a case manufactured by the Dennison Watch Case Company. The internal case back is stamped with the "ALD" sponsor's mark, Birmingham 9ct gold hallmarks, and the "Special" grade designation. The case carries the serial number 288944. The case measures approximately 50mm in diameter, with a total length of 68mm including the crown and bow. The total item weight is approximately 88.4 grams. The external gold surfaces are finished with engine-turned engraving and include a vacant circular cartouche on the front cover. The white enamel dial features black Roman numeral hour markers, a rail-track minute circle, and a subsidiary seconds dial at the 6 o'clock position. The hands are blued steel. The internal
