Description

9ct yellow gold full hunter pocket watch featuring a case manufactured by the Dennison Watch Case Company. The internal case back carries the "ALD" sponsor's mark, the "9 .375" purity hallmarks, and the "Special" grade designation. The case measures approximately 51mm in diameter and the total item weight is approximately 91.7 grams. The external gold surfaces exhibit an engine-turned pattern and a circular vacant cartouche on the front cover. The white enamel dial contains black Roman numeral hour markers, a rail-track minute circle, and a subsidiary seconds dial at the 6 o'clock position. The hands are crafted from blued steel. The mechanical movement is a Swiss-made lever caliber featuring 15 jewels and a manual crown-wind mechanism. The movement plates
