

18k Gold Swiss Antique 35mm Half Hunter Pocket Watch 1890s 15j Lever 41.5g 48mm

3 178 EUR

Period : 20th century

Condition : En l'etat

Description

An 18k solid yellow gold half hunter pendant pocket watch featuring a Swiss-made mechanical movement. The internal case back is stamped with an 18K purity mark, the Swiss Helvetia hallmark, the maker's mark "AE," and the case serial number 843787. The case measures approximately 35mm in diameter, with a total length of 48mm including the crown and bow. The total item weight is approximately 41.5 grams. The external gold surfaces feature engine-turned backgrounds and hand-engraved foliate scrollwork on both the front and back covers, each containing a vacant central shield cartouche. The front cover contains a central circular viewing window surrounded by a gold-toned chapter ring with black Roman numeral hour markers. The internal white enamel

dial features black Roman numeral hour markers and blued steel hands. The internal mechanical movement is a Swiss lever caliber featuring a frosted gilt finish and a manual crown-wind mechanism. The movement includes a regulator lever for timing adjustments. The timepiece is a keyless wind model with a top-mounted winding crown and a circular gold bow. The internal dust cover and case back are hinged.
