Description

"Peacock" - Elegant Room Fragrance Diffuser, late 19th or early 20th century This is a decorative sculpture depicting a peacock on a pedestal, similar to Orientalist or Chinese-style creations from the late 19th or early 20th century We present a refined piece that combines the art of sculpture with the functionality of a decorative object. This peacock, crafted from enameled metal and embellished with gilded finishes, rests on a classic, finely crafted wooden tripod. The piece stands out for its dual nature: a splendid decorative object and a sophisticated room fragrance diffuser. The body of the sculpture conceals a small perfume vessel, designed to hold essences and gently diffuse them throughout the room. A piece of great charm that furnishes with elegance, engaging both the eye and the sense of
