Description

Oil on cardboard. Facing the strings, the atmosphere becomes taut like a high-voltage cable about to snap. No contemplative delicacy; a sharp, vertical attack that makes the bows sink into the hairs. The air is ionized with each gesture of his arm, a command without appeal that transforms the pulse of the musicians into a pure electric current. It's a lash of authority that sweeps across the room, making it clear that sound doesn't flow, but springs from his fist. Image dimensions unframed: 24 x 30 cm / 35 x 40 cm with custom frame.
