

Brooch By The House Of Lanvin Paris Geometric Red Enamel And Gilded Metal

185 EUR

Signature : Lanvin

Period : 20th century

Condition : Très bon état

Material : Metal

Description

Elegant brooch by Lanvin Paris in gilded metal, composed of three superimposed geometric motifs adorned with deep red enamelled lacquered plates. The graphic design, with its sober, architectural lines, perfectly reflects the couture aesthetic of the 1980s. The combination of intense red and gilded metal gives it a presence that is both modern and sophisticated. Chic and timeless. Signed Lanvin Paris on the reverse. Era: 1980 Dimensions : 5,5cm by 3cm. Condition: perfect
