### Description

Set of 10 antique soft-paste porcelain plates produced by the Sèvres Royal Porcelain Manufactory in France, primarily dating to the second half of the 18th century. The plates feature a characteristic lobed and scalloped rim highlighted by a thin blue enamel line. Each plate is decorated with an "à osier" or basket-weave molded border in relief on the wing. The white porcelain ground is hand-painted with polychrome floral sprays and scattered bouquets of garden flowers in vibrant enamel colors. Individual plates in such services frequently bear the blue interlaced "L" mark on the reverse, often accompanied by date letters and specific painter's or gilder's marks. The plates measure between approximately 20 cm and 24 cm in diameter, consistent with dessert or dinner service sizes.
