

## Set Of Antique Cufflinks And Breastplate Buttons

120 EUR

Period : 20th century

Condition : Très bon état

### Description

Elegant antique set consisting of a pair of cufflinks and four matching breastplate buttons, presented in its original Toulon jewelry box. Beautifully crafted with a sober, refined design in the spirit of mid-20th-century French men's jewelry. Probably silver. Beautiful overall condition with traces of use consistent with age. Antique escutcheon preserved.
