Description

From the very early 19th century, this lovely romantic landscape in its period Charles X frame with palmettes and wide cornice, shows a wooden mill and its water reservoir in an impressive landscape of high mountains; an assertive Romantic vision in beautiful monochrome colors, a painting of precise, contrasting atmosphere, a work typical of the period, in keeping with the tastes and demands of a clientele in search of nature and grandeur, where man is confronted with nature, this beautiful, fresh and well-preserved painting has everything to seduce, decorative and inspired, in short, a painting of decorative quality and great mastery,
