Description

Wall console table veneered in crotch walnut. Italy, first half of the 19th century. 111.5 x 57.5 x h 91 cm. Wall console table entirely veneered in crotch walnut, with a rectangular top with a contoured profile. The frieze features a central drawer with a radially grained veneer. The curved legs are joined by a low-arched crosspiece and rest on turned wooden onion-shaped feet. The structure, in the Empire-Restoration style, reflects Italian production from the first half of the 19th century. Condition report: The structure is in good condition. There are signs of aging, abrasions to the paint, and slight wear to the veneer. Conservative restoration of the surface is recommended. All shipments within the EU are free and professionally packed. This item is sold with a legally valid certificate of
