

Louis XIV Cabaret Tray Table, XVIIth Century

2 650 EUR

Period : 17th century

Condition : Très bon état

Material : Solid wood

Length : 65

Height : 71

Depth : 46

Description

Rare and elegant crossbow table in cherry wood. It is boxed, the legs follow the shape of the crossbow and support this same box with strong molding, on which rests a bowl-shaped top. Heritage of the mobile "cabaret" where refined society enjoyed tea or coffee. The X-shaped brace topped by a bobèche. It opens with a drawer at the front. Beautiful patina, minor wear and tear. Provincial workmanship of the 17th century.
