### Description

Large walnut desk with side pulls and five drawers on the front. This desk was made by Potheau constantin in Paris. This one has just been completely restored and we have changed the leather ( full grain leather engraved with the wheel ) .BiographyIn 1881, Georges and Constantin Potheau took over the business of Charmois et Lemarinier and formed Potheau Frères at 21, rue duFaubourg-Saint-Antoine in Paris. They became famous for theirsimple yet rich furnishings. Noted at the Exposition UniverselleExposition Universelle in Paris in 1889, where they won a silver medalfor a superb carved mantelpiece. In 1894, only Constantin remained in business.All bronze handles are signed.DIMENSIONS: 160CM X 87CM AND 76CM HIGH DELIVERY BY ESTIMATE.
