

Lacquered Wooden Screen Featuring Original 18th-century Elements

450 EUR

Period : 18th century

Condition : Très bon état

Width : 46 cm

Height : 150,5 cm

Description

An elegant two-panel screen made of lacquered wood and constructed using original 18th-century components. The panels feature refined polychrome floral decorations on a gilded background, framed by painted ornamental motifs that enhance its antique and decorative charm. A piece of great charm, ideal as a decorative element for classic or contemporary interiors. Excellent overall condition; requires restoration for conservation purposes; visible imperfections and signs of age. **DIMENSIONS:** Height 150.5 cm - Single door width 46 cm - **CONTACT -FOR ANY ADDITIONAL INFORMATION, PLEASE DO NOT HESITATE TO CONTACT US!
