Description

Art Deco coffee table This occasional table is crafted in premium walnut burl veneer for the top and solid oak for the structure. The top highlights a "book-matched" veneer pattern featuring rich, swirling wood grain, typical of the Art Deco movement of the 1920s to 1940s. The structural base is reinforced by sloping, geometric legs, linked by a round central crosspiece. In good vintage condition, showing only slight traces of wear consistent with its age and use. 62 cm wide and 57.5 cm high. Interwar design.
