

## Mahogany Tric-trac Game Table - Late 18th Century

2 400 EUR

Period : 18th century

Condition : Très bon état

Width : 52cm

Height : 74cm

Depth : 52cm

### Description

Elegant little Louis XVI period mahogany tric-trac table with reversible top on four tapered legs terminating in bronze sabots. The reverse of the top reveals an ebony veneered interior adorned with 24 alternating ivory and green arrows, framed with bone markers around the perimeter characteristic of period tric-trac. Delivered with its original set of chips, 14 white and 11 black. Very fine condition, a rare piece in these proportions. DIMENSIONS: H.74cm / W.52cm / D.52cm. Solid mahogany, ebony veneer, ivory and green-stained wood marquetry, bone markers, bronze shoes.
