## Description

Large, unusually large 19th-century Orthodox icon depicting the Protection of the Virgin Mary, one of the most important devotional subjects in Eastern Christian iconography. Painted in oil on a wooden panel, the composition depicts the Virgin Mary as protector and intercessor, surrounded by sacred figures executed in the traditional Orthodox style.The icon exudes a powerful spiritual presence, combined with a strong decorative appeal, magnified by its monumental dimensions and richly patinated surface. The warm patina, cracks and visible traces of time contribute to the authenticity and devotional character of the work.Executed with great finesse and profound religious symbolism, this icon would make an exceptional addition to a collection of sacred art or a striking centerpiece in
