

Pair Of "wheat Ear" Wall Sconces

900 EUR

Period : 20th century

Condition : Etat d'usage

Material : Metal

Width : 35

Height : 65

Description

A pair of gilt metal wall sconces, each with two light arms adorned with bundles of wheat, a 1970s design - unsigned. Also available in my gallery; a beautiful matching set could be created with a "wheat sheaf" lamp after Hans Kolg.
