

"wheat Ear" Lamp

900 EUR

Signature : D'après Hans Kolg

Period : 20th century

Condition : Etat d'usage

Material : Metal

Width : 29

Height : 52 cm

Depth : 29

Description

A gilded metal blade, the shaft decorated with ears of wheat in a corolla shape. A new black lampshade with a gilded interior completes the set. In my gallery, there is also the possibility of creating a beautiful set with a pair of gold-tone metal "wheat ear" wall sconces
