Description

Small Regency Period Walnut Notary Cabinet - 18th Century
Rare small Regency period solid walnut notary's cabinet opening with a top shelf and a front door revealing an interior storage space. Very handsome curved front adorned with a scalloped molded panel topped with elegant carved decoration characteristic of the Regency style. The piece rests on small arched legs and retains its antique locks and original fittings. The quality of the walnut is of the highest quality. The quality of the walnut, the antique joints, the balanced proportions and the beautiful period patina give this piece a great deal of authenticity and presence. Rare and endearing furniture that can find its place in both classic and contemporary interiors. Epoque Regency - 18th century
