

## Gilt Bronze And Crystal Bowl Napoleon III Period

1 900 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Diameter : 18,5

Height : 28,5

### Description

Napoleon III period gilt bronze and cut crystal bowl / centerpiece, resting on an elegant base decorated with two winged cherubs supporting the basin. The molded and cut crystal basin is surrounded by a finely chased solid silver mounting. Refined 19th-century work, probably attributable to Cristal de Baccarat, with very fine craftsmanship and gilding. The circular base is adorned with a decorative frieze and rests on four small feet. An elegant decorative piece, ideal as a centerpiece, fruit bowl or collector's item. Dimensions: Height: 28.5 cm. Goblet diameter: 18.5 cm.
