### Description

Lot consisting of thirteen rare round plates made of ochre-colored papier-mâché with "arte povera" decoration. The body is entirely made of papier-mâché; the decorative motifs on the backgrounds feature classical-inspired allegorical figures in the "arte povera" style, while the rim is entirely adorned with simple gilded decorations. These are purely decorative and not intended for practical use. They are in excellent condition. Dimensions: diameter 29 / 23 cm
