Description

Attractive set of four wrought-iron chairs, lacquered in cream. Each backrest slopes backwards, and is embellished at its center with attractive woven and lacquered wickerwork. Each end is finished with a ball. The seat is assured by squared iron slats allowing a cushion to be fitted for greater comfort. The four legs are linked together by an X-shaped crotch ensuring great stability. Our seats are sold with four off-white cushions in good home condition. Note some paint chips and wear, due to use. We would point out that our chairs are designed to stack easily and with stability to take up as little space as possible for possible seasonal storage (see last photo).
