Material : Oil painting

Length : 79 cm

Width : 76 cm

Description

Large & beautiful 18th-century biblical canvas depicting the temptation of St. Anthony, a famous hermit who took refuge in a cave in the desert, but was tempted by the devil. cave in the desert, but whom the devil tried to test: according to the various various legends, the devil tried to frighten him, sometimes with ferocious animals, or, as in the painting shown here, by offering him the offering him the "services" of a young, pretty woman, which the religious refused... Note: the work offered here is unsigned, but its fine quality suggests an excellent painter, probably an artist of the French school or a northern school: it does indeed possess some aspects reminiscent of the Flemish manner... -. note that this is a work of art that has undergone a great deal of care. including a very old lining and a mounting at frame
