Description

Oil on canvas. Central Italian School, 18th century. Large boar hunting scene, with knights, servants, and dogs scattered across the wooded countryside. Notable is the presence in the left foreground of a Moorish assistant, restraining one of the dogs and carrying a rifle on his shoulder. The painting has been restored and relined in the past. It is presented in a contemporary antique frame. The item is in good condition, with minor signs of wear. We try to present the item's actual condition as accurately as possible with the photos. If any details are unclear from the photos, the description will apply.
