

Late 19th Century Renaissance-style Console Table.

560 EUR

Period : 19th century

Condition : Très bon état

Material : Painted wood

Width : 91 cm

Height : 70 cm

Depth : 34 cm

Description

Very pretty console table (probably a cabinet support) dating from the late 19th century (circa 1900). Very elegant in design, with its four turned legs connected by a spacer, our piece is decorated with small lithographed bunches of flowers glued to all its surfaces. In blackened wood, this lovely model is in very good condition.
