

Marquetry Commode Louis,xv XVIIIth Century

1 150 EUR

Period : 18th century

Condition : Très bon état

Material : Marquetry

Description

Louis XV period three-drawer marquetry chest of drawers Very good condition. I point out:- non-original drawer handles- the top has been raised. I think this chest originally had a marquetry top. It has been removed and replaced by another one without marquetry and topped with a very nice marble effect. 99 cm x 51.5 cm Height 85.5 cm
