## Part Of An Art Deco English Earthenware Service From The Crown Ducal Factory Circa 1930 Orange

520 EUR

Signature : Crown Ducal

Period : 20th century

Condition : Très bon état

Material : Earthenware

### Description

Part of an English Crown Ducal earthenware dinner service. Beautiful continuous decoration of stylized orange trees laden with orange and coral-red fruit, treated in a Mediterranean aesthetic typical of the 1930s. The graphic design of the decoration, combined with the generous, geometric shapes of the pieces, perfectly illustrates the elegance of English Art Deco production between the wars. It includes 55 pieces: 6 round dinner plates (diam. approx. 25cm). 6 square plates (diam. approx. 22cm). 4 soup plates (diam. approx. 23cm). 5 round bread plates (diam. approx. 14cm). 5 square bread plates (diam. approx. 14cm). 1 set of 4 plates (diam. approx. 20, 22 and 2 of 14cm). 1 long dish (long. approx. 32cm). 1 oval dish (length approx. 26cm). 1 square dish (length approx. 26cm). 1
