

Set Of 6 Bronze Candlesticks - Spanish - 17th Century

750 EUR

Period : 17th century

Condition : Bon état

Material : Bronze

Height : 20-25 cm

Description

Set of six 17th-century Spanish bronze candlesticks. Each piece features a quadrangular base resting on four small feet, and a turned shaft with sober, elegant lines. The beautiful old patina, with golden-brown nuances and natural traces of use, underlines the authenticity and historic character of this set. These candlesticks bear witness to 17th-century Spanish craftsmanship, with an aesthetic that is at once simple, robust and refined. The slight variations between examples reflect their period handcrafting.
