Diameter : 36 mm (cadran noir: 29 mm)

Height : épaisseur de la boîte: 1,21 cm

Description

POMELLATO automatic chronograph watch in steel, dating from the 2010s, illustrating a contemporary, elegant and sporty approach to watchmaking from the Milanese house.The watch features a substantial polished steel case with soft, curved lines, whose generous volumes contrast with the finesse of the dial. The horns, worked in rounded, sculpted volume, play a full part in the watch's overall aesthetic, characterized by supple, full and organic forms, a signature of Pomellato's design.The black dial, particularly legible, plays on a strong graphic contrast between its deep dark background and its applied silver-tone Arabic numerals, with almost calligraphic lines, giving the whole a dynamic and refined aesthetic.The composition of the dial is punctuated by three chronograph counters

arranged in a balanced manner, as well as a date window framed and embellished with a magnifying glass, an emblematic technical detail that accentuates the readability of the dato while reinforcing the watchmaking character of the model. A tachymeter scale discreetly positioned around the periphery further underlines the sporty inspiration of this timepiece.Powered by a self-winding mechanical movement, this watch combines aesthetic presence with everyday comfort. The case is mounted on its original signed POMELLATO leather strap, in deep brown tones with contrasting stitching, accompanied by its steel pin buckle, also signed.Worn, the watch asserts a singular personality: a chronograph in a rather ladylike or mixed format, at once contemporary, assertive and elegant, far removed from overly strict classic watchmaking codes. Pomellato, renowned for its bold approach to jewelry and its sophisticated Milanese identity, here transposes its sense of volume and design into a coherent and identifiable watch creation.The case back features an engraving of initials.The proper functioning of this watch is guaranteed by us for one year (except in the event of shock or immersion).Model: CHRONOComplication: tachymeter scale and dato with magnifying glassYear: 2010Case: steelMovement: self-winding mechanicalAnchor escapementDial: original, Arabic numeralsStrap: leather, original, signed "Pomellato cousu main", on pumpsBuckle: pin buckle, steel, original, signedGlass: sapphire (original, very good condition)Possibility of fully remote payment via the site.We remain at your disposal for any information concerning an alternative method of payment.Are you a professional?
