Description

Small French chest of drawers from the second half of the 1800s in the Empire style, made of mahogany and mahogany veneer. It features a black marble top and four large front drawers embellished with bronze pulls and escutcheons. On either side of the chest, two half-columns with gilded bronze bases and capitals further enhance its grandeur. The front legs are carved in the shape of lion's claws. Provenance: France Period: second half of the 1800s Style: Empire Dimensions: 86x43x83h cm SKU: 17424
