Description

Transform your garden with this magnificent set of four cast-iron sculptures, each embodying one of the four seasons in a timeless, classic style. Made in Italy in the 1970s, these imposing statues, measuring 230 cm, bear witness to the exceptional craftsmanship of Italian artisans of the time. Each sculpture personifies a season with unique attributes and exquisite detail, representing spring, summer, autumn and winter in superb cast iron. The figures, dynamic and graceful, offer a striking representation of nature's cyclical beauty. With their natural patina, these statues have acquired a distinctive finish that complements any outdoor environment, adding elegance and historic charm. Dimensions: Height: 230 cm Width and depth: 63 x 63 cm each Main features: Italian craftsmanship: Authentic Italian

cast-iron sculptures from the 1970s, renowned for their quality and artistic finesse. Symbolism of the seasons: Four unique statues, each with distinctive features representing spring, summer, autumn and winter. Imposing size: At 230 cm high, these statues assert their presence in any garden or outdoor space. Natural platinum: Developing over time, it lends them an antique, classic charm. Weather resistance: Made from robust cast iron, they are designed to withstand the elements. Ideal for gardening enthusiasts, landscapers and collectors of outdoor art, these Four Seasons sculptures offer an elegant harmony between art and nature. They provide a memorable focal point, imbuing any space with the beauty of the changing seasons.
