## Description

Large red Murano blown glass dolphin with inclusions of gold flakes.Venice's dolphin motif is very characteristic of 1950s production, due to the links between the city and the sea.Presence of a legible but partial label with the serial number below the base, from the Barovier and Toso factory.The Barovier family founded the Murano glass factory in the 14th century and joined forces with the TOSO family in 1936.
