Description

Iron and Crystal Wall Sconce - Banci Firenze Refined handcrafted wall sconce in wrought iron and crystal, created by the prestigious firm Banci Firenze, renowned for its high-quality decorative creations. The floral design, composed of hand-shaped leaves and flowers, enriches the structure with an elegant, classic aesthetic. The four curved arms support candle-shaped lamp holders, evoking the elegance of traditional antique chandeliers. The central element in blown crystal adds luminosity and depth to the piece, while the antique metal finish lends charm and character, making it perfect for both historic settings and sophisticated interiors. Key features: Handcrafted by Banci Firenze Hand-wrought iron structure Floral metal decoration with three-dimensional flowers and
