Fine Earthenware Ewer With Blue And White Decoration, 19th Century Work

200 EUR

Period : 19th century

Condition : En l'etat

Material : Earthenware

Height : 25

Description

Fine earthenware ewer with blue and white decoration, 19th-century work in the taste of Nevers productions.This elegant piece features a globular body resting on a flared pedestal, an agitated neck with pinched spout and a particularly decorative twisted handle.The hand-painted cobalt blue cameo decoration displays a rich floral and plant repertoire inspired by Dutch and Oriental earthenware, much appreciated in the 19th century.The refined silhouette and ornamental quality of this ewer make it a fine presentation piece, as decorative on its own as it is integrated into a collection of antique earthenware.Dimensions:Height: 25 cmGood overall condition for a piece from this period, with slight firing defects and minor wear from use.Some discrete irregularities and chips
