Height : 90

Description

Superb former foundry crucible transformed into a large decorative planter, ideal for hosting a palm tree, olive tree or any large planting in a landscaped garden or on a vast terrace. Its sleek, contemporary shape perfectly highlights its magnificent copper-brown patina nuanced with black hues and superb bronze drips. A piece with a unique character, with a rich, lively material that evolves according to the light. Very sturdy and perfectly suited to the outdoors, this large industrial basin brings a sculptural, elegant presence to high-end garden design. Former foundry crucible Beautiful copper-brown patina, black shades and bronze drips Contemporary, decorative shape Outdoor use Ideal for palm, olive tree or large plants One-of-a-kind piece, strong aesthetic presence A beautiful outdoor decorative
