Large Pair Of Japanese Vases In Patinated Bronze, Decorated In Relief With Birds

450 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Height : 45

Description

Large pair of Japanese vases in patinated bronze, with relief decoration of birds evolving among flowering branches and stylized plant motifs. The flared neck is adorned with grips in the form of fantastical heads holding movable rings, as well as longevity characters inspired by traditional Chinese script. Late 19th-century decorative work, in the taste of Japanese productions of the Meiji period. The surface features a finely engraved decoration of geometric motifs and stylized friezes, contrasting with the central reserves animated by birds and branches treated in light relief. Beautiful, large-scale decorative set, ideal for Asian decoration, a cabinet of curiosities or an eclectic interior. Dimensions: Height: 45 cm Good overall condition with old patina, minor traces of use and oxidation consistent with age. Sold as a
