Large Louis XV Transition Style Girandole, Crystal Pendants, Five Lights, Mid-20th Century

1 290 EUR

Period : 20th century

Condition : Bon état

Material : Crystal

Height : 74cm

Description

Imposing five-light electrified girandole, made in the first half of the 20th century. This elegant fixture is richly decorated with thick, numerous pendants: beveled crystal plates, glass drops, flowers and pearls, topped by a beautiful saber. Our girandole is electrified and in good condition. Luminaire in very good condition, sold with five recent red lampshades.
