### Description

Ebonized frame - 19th century Elegant antique Italian frame in ebonized wood, embellished with a precious carved interior molding finely gilded with a twisted scroll motif. The harmonious contrast between the deep, dark hue of the ebonized finish and the warm luminosity of the gilding lends the piece a refined presence, typical of Italian craftsmanship from the late 18th to the early 19th century. The frame, with its simple lines yet strong ornamental character, retains a charming period patina with natural signs of age that attest to its authenticity and history. The refined torchon motif on the inner molding recalls Baroque-style designs reinterpreted through the eclectic sensibility of the 19th century. A frame of great decorative elegance, ideal for showcasing antique paintings, icons, miniatures, or works on
