Description

Gauffré' drawing, slightly in relief, signed 'Volti' (lower right). Volti's (1915-1989) sanguine technique is well mastered here for these two nude female bodies. The model on the left, arms at her sides, stands motionless. The one on the right, arms crossed over her chest, sketches a step forward. Both are slightly 3/4. The faces are sketchy and the hair short. Sky-blue background in gouache and signature in a small cartouche in red chalk. Beautiful mahogany frame (53x44cm)
