Description

Beautiful oil on canvas depicting a gallant scene in a lively landscape.In the center, a young couple dressed in rich period costumes move about in a wooded country setting. The female figure wears a yellow and white dress with baskets, while her companion, dressed in a brown suit and blue breeches, seems to be saying a few tender words to her. A small dog enlivens the foreground, and a figurine appears near a house in the background, bringing depth and charm to the scene.The whole presents a beautiful poetic and decorative atmosphere, characteristic of pastoral scenes inspired by the 18th-century French school, in the spirit of Fragonard or Boucher.- Dimensions : 104 x 81.5 cms.
