Description

A pair of Triestine chests of drawers dating from the period between the Louis XVI and Empire styles, made of walnut wood. An elegant pair of chests of drawers from the very early 1800s, made of walnut wood. The pointed legs place them in a transitional period between the Louis XVI and Empire styles. The gilded wooden figures serving as capitals on the tapered columns set them apart from typical models, while their compact size makes them versatile. Furniture in good condition. Dimensions (cm): W 125, D 53, H 87. WOULD YOU LIKE TO SEE MORE OF OUR ANTIQUE CHEST OF DRAWERS AND COMMUNES? Click directly on the link
