Description

Charming Angoulême earthenware egg cup holder signed Alfred Renoleau (AR) and dating from the 1st half of the 20th century (circa 1920). This object bears the mark of the Moras magasin in Royan (17), perhaps a souvenir to bring back from a stay in this seaside resort. It includes 6 egg cups (small chips from use) decorated with garlands of foliage on a yellow background and outlined with red fillets. These egg cups fit into an earthenware stand featuring the same color codes and medallions of seaside scenes. A handle on the top makes handling easier.
