Description

Original 20th-century trunks in various sizes, authentic vintage pieces with timeless charm. Crafted from wood and upholstered with materials typical of the era, they feature handcrafted details such as metal-reinforced corners, vintage locks, and sturdy handles. Each trunk tells a story, with signs of age that highlight its unique character and authenticity. Ideal as furniture, decorative storage, or collector's items, they fit perfectly into classic, rustic, or industrial settings. Available in various sizes and conditions, from restored to original preserved pieces.
