

Birch Wood Living Room Set

2 500 EUR

Period : 20th century

Condition : Bon état

Material : Solid wood

Description

Handcrafted living room set made of solid birch wood with a rustic, organic design, representing refined 20th-century German craftsmanship. The entire set is crafted from hand-carved birch logs, preserving the wood's natural forms and highlighting its original knots, grain, and curves, with a glossy honey-colored finish. Dimensions: Table H 69 x 120 x 78 cm; Armchairs: Backrest H 77, Seat H 47 x 52 x 63 cm; Bench L 148 cm
