

Wood And Glass Table, 20th Century

2 500 EUR

Period : 20th century

Condition : Très bon état

Material : Painted wood

Diameter : 140 cm

Height : 79 cm

Description

Crowned by a carved and lacquered wooden base, the glass top with its bluish reflections, matching the base, is in very good condition, without any cracks or chips.

The baluster-shaped base is decorated with ivy, and a carved leaf adorns its top, thus embellishing the center of the table. In the style of the famous wheat-sheaf base table by the Italian firm Chelini, designed in 1975, our table is emblematic of an era where design meets, with originality, styles of the past.
